## BIHELS ARE MAKING GOOD AT THE BUTLER

CLEVER LITTLE ENTERTAINERS  
CONTINUE TO RECEIVE  
MERITED APPLAUSE.

Another large crowd enjoyed six good pictures at the Butler theater last night. The Biheil sisters made their usual big hit. Commencing at the matinee today there will be another change of program. The pictures will all be new, clear and distinct. The feature picture will be an American Biograph drama entitled "The Gold Seekers;" "Judith," a Biblical picture, and a splendid Vitagraph drama entitled, "The Portrait." At the evening performance "The Behl's" will have an entire change of songs and sayings. Miss Anna will do her famous character act, entitled, "Take Me for a Stroll in the Park." This is one of her best efforts. Little Martha and Bella will do "Sadie Salome Go Home," in appropriate costumes. These turns are the best they have in their large repertoire of sketches. On next Saturday at the matinee the Biheil sisters will appear at each show. The management will give each child attending Saturday's show an ice cream cornucopia. The admission will remain the same—10 cents.

### MINA HOMICIDE RECALLED BY TRIAL OF SLAYER

S. P. Grimmer is on trial for his life in Judge Somers' department of the district court for the murder of Charles E. Baker on the night of October 24, last year, in the Mina hotel at the town of that name. At 2 o'clock the empanelling of the jury was commenced and at an evening adjournment eleven prospective jurors had passed subject to peremptory challenge. A complete jury is looked for this morning. Grimmer, since his arrest, has been at liberty on \$20,000 furnished by T. D. Murphy and R. L. Turner. Baker and Grimmer became involved in a quarrel on the night of the murder with the result that defendant shot and instantly killed Baker. Both men were employed as gamblers in the hotel. Self-defense will be set up to his action. District Attorney Tilden and Deputy George Grimmer are prosecuting the case and Attorneys Eddy and Dismore conducting the defense. Held Tribune.

### TON AND SMITH PETITION FOR PARDON

N. Hilton, head counsel for Western Federation of Miners attorney for Preston and Smith, two men serving terms in the penitentiary for a murder committed in Goldfield during the labor trouble in the camp yesterday petitioned for pardons to allow him to present the names of the two to the board, for a parole meeting of the board in the rules of the board of a prisoner cannot apply for a parole more than once. Hilton and Smith applied for a parole in January and the board grants the parole to allow them to come up again in July to have to wait until 1911 they can apply.

## TAKES DOSE OF SALT PETRE AND IS SORRY

AUSTRIAN PASSES AN UNPLEASANT AFTERNOON AS A RESULT.

An Austrian residing in the Austrian colony down near the railroad, made a mistake yesterday and accidentally swallowed a dose of salt petre instead of salts, and as a consequence was a sick man for several hours. According to the physician, who was summoned, the patient swallowed a dose that would have killed a horse. The salt petre made him quite ill for a time, but he became so nauseated that he was relieved of the dose without the aid of a stomach pump. Hereafter he will know the difference between the two salts, as well as the results to be obtained.

## CONTRACT WOULD DO CREDIT TO A TONOPAH LAWYER

COMEDIANS AT THE NEVADA  
THEATER WELL VERSED  
IN THE LAW.

One of the greatest legal contracts ever drawn up in this city was framed at the Nevada theater last night by the Merry Grafters in the comedy farce of that name as presented by the Lewis and Lake Musical Comedy company. The contract was the handiwork of the Irish and German comedians, while the party to the "steenth part was the poor unsuspecting Jew comedian. Anyway the contract was a beaut and a Tonopah lawyer could not have done better. The efforts of the grafters to secure the signature of the Jewish inventor resulted in real mirth and the entire audience, which filled the house, greatly enjoyed the scene.

One of the best parts of the shows given by this company is the chorus stunts. The chorus has been trained to perfection and execute the different numbers without a hitch. They are without a doubt the best aggregation of skit-de beauties that ever struck this city.

Last night was the first production of "The Merry Grafters" and those who attended the performance pronounced it better than the opening show. The same piece will be reproduced this evening and tomorrow night the play will be "The Rollicking Girl." The prices will remain the same, 25, 50 and 75 cents. Seats can be obtained at the Miners' Drug store.

Fresh milk and cream—Tonopah Dairy.
